Managed by UNIVERSAL BEST
EDUCATION SOCIETY TRUST

NAJEETH ROYAL COLLEGE OF ARTS & SCIENCE

ABOUT US

The Universal Best Education Society was established and registered in the year 2008 by a group of Highly qualified professionals under the Chairmanship of Advocate Dr. Najeeth, with a special focus on 'Excellence in Education'

We have organized several Educational and Charitable activities since 2008. There are other Schools, Institutions, Companies, Charitable trusts, and other humanitarian services that are successfully functioning under our management both abroad and in Kerala.

With great aim and respect for our society, we established an Arts and science college in the name and style of Najeeth Royal College of Arts and Science (NRC), approved by the State and Affiliated to the University of Kerala.

We are blessed with many social and educational experts. Their gracious support gives us strength and confidence in our journey to excellence together with young, talented students.

Vision

Najeeth Royal College of Arts and Science focuses on Excellence in Education that:

- To inspire and guide responsible learners towards academic achievement.
- To explore ample opportunities by developing students' skills and Knowledge.
- To promote wide range of diverse interests and to pursue their passions linked with innovation and entrepreneurship.
- To develop competencies to grow as business leaders in order to explore opportunities across the world through innovation, transformation with leadership mindset.

We particularly emphasis with focus on core subjects in studies, activities, and competitions by establishing a learning culture with social responsibilities.

Mission

Najeeth Royal College of Arts and Science is organising various programmes to acquire facts and competencies in the core subjects offered in order to develop skills for systematic self-learning under the patronage of trained and experienced professors.

We provide wide-spread subject awareness and understanding through our effective class rooms, seminar halls, computer labs, and digital libraries and ensure high scoring in their assessments and University Examinations.
